Tension headaches are usually dull, steady, aching pains on both sides of the head. Minoxidil works by relaxing blood vessels of the body so that blood passes through them more easily. An image of a bald man has grown to symbolise aggression? Is it that men with more testosterone become naturally more aggressive?

Their fish taco is made up of sole fillet, deep fried in baja tacos' tried-and-true batter, homemade pickled cucumbers and onions, and finished off with a spicy mayo with an extra kick.
